

Fact Sheet

Help People Solve Their NMDoH Problems in San Antonio!

Problem: NMDoH Issues in San Antonio

- Many in San Antonio struggle with their health.
- We aren't addressing issues where people live, learn, and work ... known as Non-Medical Drivers of Health (NMDoH).
- NMDoH issues: unreliable transportation, unaffordable housing, unhealthy food, and low access to income and healthcare.

“What we’re finding is that issues with NMDoH can hurt people’s health.”

Dr. Amelie Ramirez,
leader of *Salud America!*

Solution: San Antonio NMDoH Community Resource Guide

***Salud America!* built a “San Antonio NMDoH Community Resource Guide” to connect people with the right community resources for help with access to housing, healthy food, transportation, healthcare, and more!**

The San Antonio NMDoH Community Resources Guide helps...

1. Assist community members in need of NMDoH services.
2. Address ongoing NMDoH issues that the community faces.
3. Raise awareness of local services and organizations.
4. Save time when searching for needed NMDoH assistance.

How Can You Improve San Antonio Health?

Go to bit.ly/healthsanantonio to get the *Salud America!* “San Antonio NMDoH Community Resource Guide” ... here’s how to use it:

Connect Your Clients or Patients to Resources
